

# Quick Fabric Finder

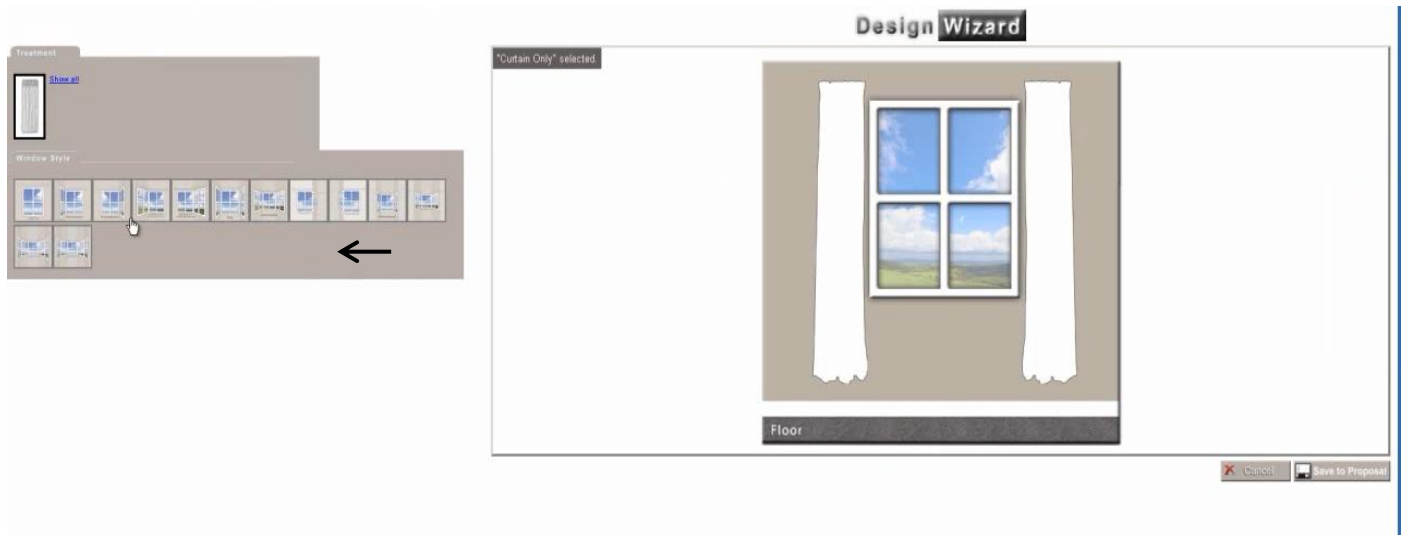

In the **Create Client Proposal** screen, select the **'Add Room'** tab on the left side of the screen

The screenshot shows the 'Create Client Proposal' interface. At the top, there are fields for Job Location (97 Tanner St, Grasmere 9810, New Zealand), Contact Person (Mr Ian vint), Supplier (N/A), Customer Reference (test Fabric Finder), and Options (test Fabric Finder). Below these is a 'Notes for Proposal' field. The main area is a table with columns: Inc., Room, Qty, Retail (inc GST), Discount, and Total Retail (inc GST). The table currently shows 'No rooms on proposal' with values of \$0.00. On the left side, there is a 'Proposal Tools' panel with buttons: Add Room (highlighted with a red arrow), Installation, What If, Re-Bid, View Margin Report, View XML, and View Client Proposal. At the bottom right, there are buttons for Cancel, Save, and Create Order, along with a summary of Gross Retail (\$ 0.00), Discount (\$ 0.00), and Total Retail (\$ 0.00).

Enter room, e.g. 'Bedroom' then select **'OK'**

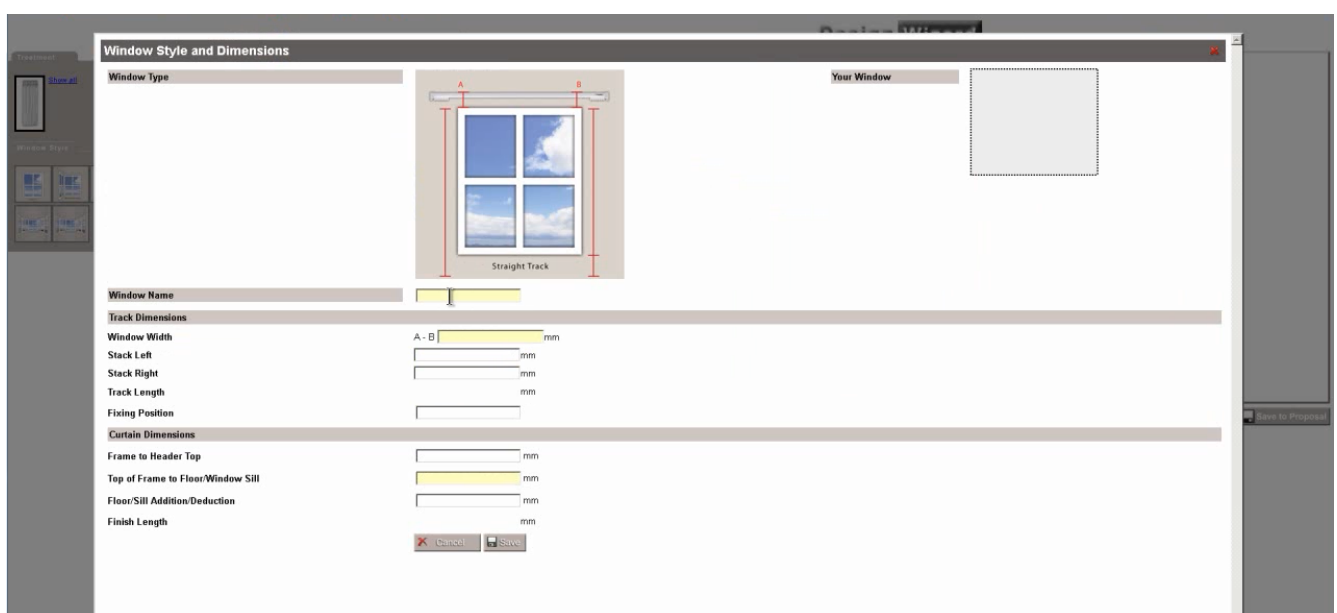

This screenshot shows the same 'Create Client Proposal' interface as the previous one, but with a 'Room?' dialog box open in the center. The dialog box has a text input field containing 'bedroom' and two buttons: 'OK' (highlighted with a red arrow) and 'Cancel'. The background interface remains the same, showing the 'Add Room' button in the 'Proposal Tools' panel and the summary of retail values at the bottom right.
