

How to Configure your Print Setting for a Proposal

Once you are in a proposal, wanting to print it.. click on the top right drop down and **click on print**

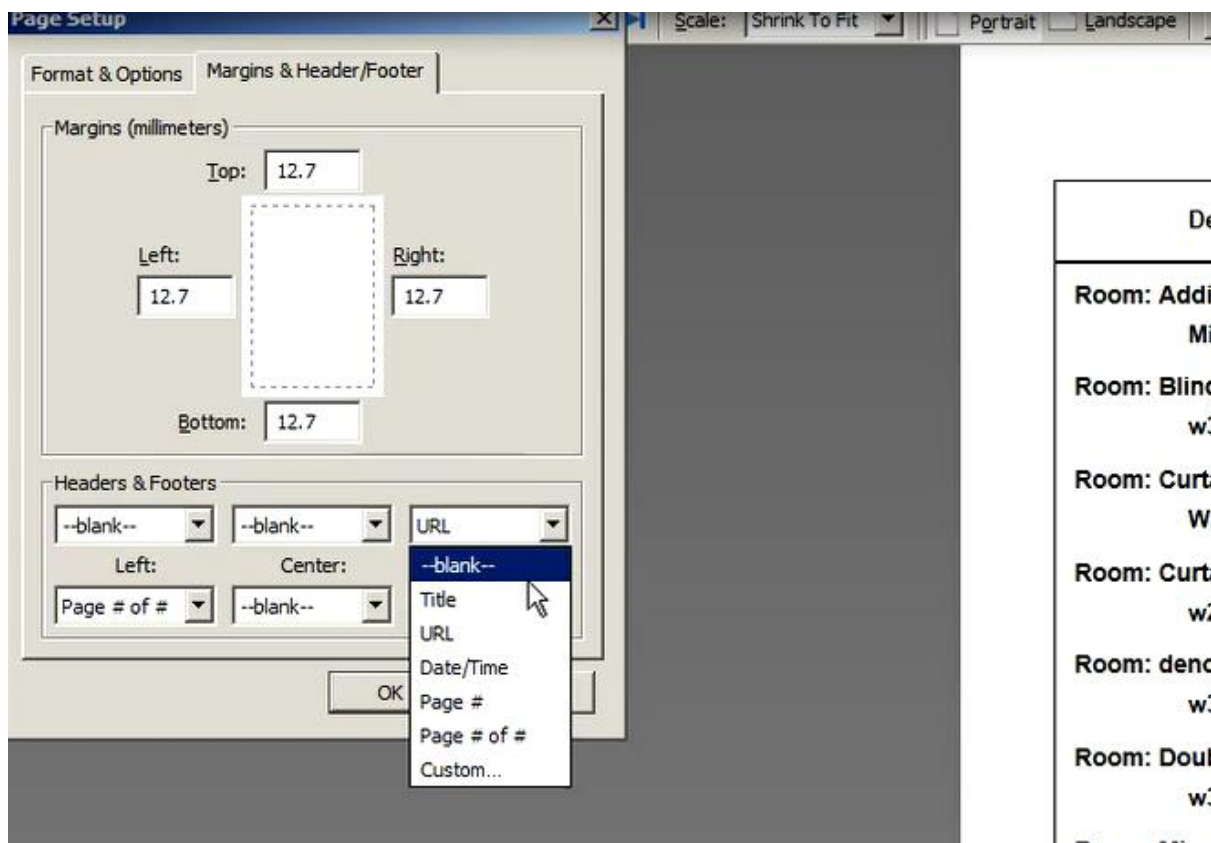

To remove 'Client Proposal' and the page numbers etc. from the tops and bottoms of the page.. **Click on Page Setup** on the top left

Make sure shrink to fit page is ticked and then **click on Margins and Header/Footer**

Change the Header & Footer drop down boxes so they read **'blank'**

Now select **'OK'**
