

Sewing Room, Workroom Rates

How to setup

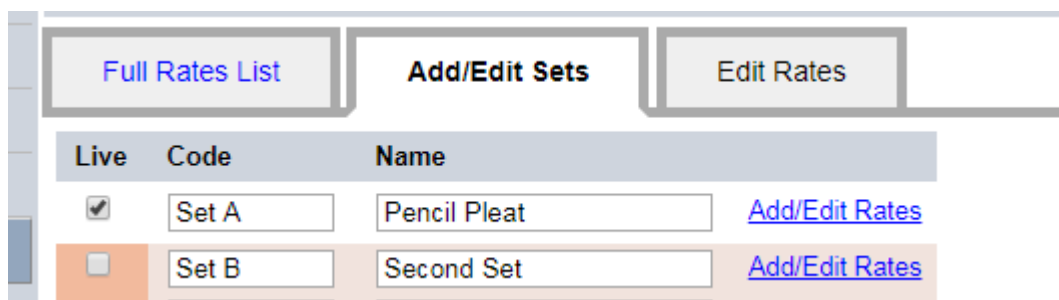

In the setup tab select Maintain Curtain Details

Select Workroom Rates

It is now necessary to setup a Rate Header/ Rate Set; this is the description that the individual rates will be grouped under.

Note the Selecting Tick makes the rates visible so they can be attached to a curtain header.

Make sure you press Save

To add individual rates to the Rate Set select the Edit/ Add

<input checked="" type="checkbox"/>	<input type="text" value="Set A"/>	<input type="text" value="Pencil Pleat"/>	Add/Edit Rates

Enter the relevant information.

Make sure you have got the correct UOM for the rate type; the rates are sorted by code, when selecting the individual rates in the wizard, for ease it is suggested to list like rates in numeric order as below
